EXHAUST SYSTEM

## TERMIGNONI BW2208040INC

### THE NEW MODEL

Termignoni presents the  
**HOMOLOGATED SILENCER** available for **BMW R 1250 GS / GS 1250 ADV**  
(Anno 2019)

**CODICE: BW2208040INC**

### TECHNICAL SPECIFICATION

#### **Material**

Termignoni has developed the *homologated silencer*, made of stainless steel with titanium sleeve with high black temperature color and carbon endcup and with carbon heat shield.

The slip on is characterized by the historic metal logo and welded DB KILLER and aluminum bracket.

#### **Weight**

The homologated silencer weighs 4200 grams against the 5200 grams of the standard exhaust, with a weight saving of 1000 gr.
